

## NORTH CESTRIAN SCHOOL – GEOGRAPHY CURRICULUM MAP

		Year 7	Year 8	Year 9	Year 10	Year 11
<b>Half Term 1</b>	NATURAL WORLD	<b>Fantastic Places</b>	<b>Water Hazards</b>	<b>Antarctica and Glaciology</b>	<ul style="list-style-type: none"> <li>Cold Environments</li> <li>River Landscapes</li> </ul>	<ul style="list-style-type: none"> <li>Changing Economic World (Development)</li> <li>Weather Hazards</li> </ul>
	Skills / Assess	describe / explain (literacy skills - persuade)	Cause&consequence / Management strategies / case studies	Distribution / Formations / To what extent ...	Climate graphs / Using figures and data / Explain / To what extent ... /Case Study / Use of maps and graphs	Case Study / Map analysis / Sources / Assess
<b>Half Term 2</b>	MAPPING OUR WORLD	<b>Map Skills</b>	<b>Coasts</b>	<b>The Politics of Physical Geography</b>	<ul style="list-style-type: none"> <li>Tectonic Hazards</li> <li>River Landscapes</li> </ul>	<ul style="list-style-type: none"> <li>Tectonic Hazards</li> <li>Glacial Landscapes</li> </ul>
	Skill / Assess	Grid references / direction / choropleth maps / Justify	Comparisons / Explanation of landform development	Plotting co-ordinates / Using figures + maps to explain	Case Study / Comparison of factors / Use of maps and graphs / Development of landforms	November MOCKS
<b>Half Term 3</b>	SHRINKING WORLD	<b>Tourism</b>	<b>Globalisation</b>	<b>Conflict</b>	<ul style="list-style-type: none"> <li>Urban Issues</li> <li>Climate Change</li> </ul>	<ul style="list-style-type: none"> <li>Glacial Landscapes</li> <li>Fieldwork / Geography Applications</li> </ul>
	Skill / Assess	Using graphs / Assessing impact	describe / explain (literacy skills - persuade )	Using figures + images / Comparing viewpoints	Use of graphs and data / Case studies / Assess / Cause and consequence	ArcGIS / Mapskills / Charts and graphs / Data
<b>Half Term 4</b>	OUR LOCAL WORLD	<b>Weather and Microclimates</b>	<b>National Parks</b>	<b>Our Ecosystems</b>	<ul style="list-style-type: none"> <li>Urban Issues</li> <li>Climate Change</li> </ul>	<ul style="list-style-type: none"> <li>Fieldwork / Geography Applications</li> </ul>
	Skill / Assess	Using graphs and maps/ Describing and explaining	Map Reading / Discuss for and against / Locate	Completing graphs / Reading data / fieldwork	Use of graphs and data / Case studies / Assess / Cause and consequence	March MOCKS
<b>Half Term 5</b>	HUMAN WORLD	<b>Population</b>	<b>Development</b>	<b>Malaysia Project</b>	<ul style="list-style-type: none"> <li>Fieldwork</li> </ul>	<ul style="list-style-type: none"> <li>Fieldwork / Geography Applications</li> </ul>
	Skill / Assess	Using graphs / Comparing Understanding change	Locate / Using figures and data / Case study	Location / Using figures / To what extent	April MOCKS	Exams
<b>Half Term 6</b>	THE FUTURE	<b>Plastic Oceans</b>	<b>Climate Change</b>	<b>Svalbard Project</b>	<ul style="list-style-type: none"> <li>Glacial Landscapes</li> <li>Resource Management</li> </ul>	Exams
	Skill / Assess	Using graphs Cause and consequence	Using evidence Map and graph trends To what extent ..	Climate graphs Comparisons To what extent ..	OS maps skills / Analysing photos / diagrams / Comparison of data / To what extent	Exams
